Approx Scale (m)  
0 100 200

## What it means...

On-street parking in the Town Centre is restricted to marked bays for short stay only.

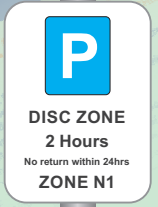

The inner zone is Pay & Display 7 days a week and the outer Disc Zone is free but you need to display a parking disc in your windscreen.

Discs are **free of charge** and available from local shops, hotels, tourist information, Council offices and the Christmas Market Information Point.

Take note of the time limit, this varies throughout the town centre.

**The town centre is divided into zones, you may not park in the same zone more than once during any 24hr period.**

**Blue badge holders can park for free in on-street pay and display parking zones and in Council car parks without time limit or fee.**
